### **Hiraizumi**

Hiraizumi is registered as a UNESCO World Heritage site and is where a variety of temples, gardens and ruins, originally constructed in the Pure Land Buddhism ideology, are maintained.

### **Motsuji Temple**

Special historic sites, special scenic spots. The site of a beautiful garden representative of Japan.

### **Chusonji Temple (the golden Amida hall)**

A treasure chest of Buddhist artwork from the Heian Period. There are over 3,000 pieces that have been declared national treasures and important cultural assets including the Golden Hall. It is not to be missed!

### **Sekino-ichi Brewery**

It is a brewery which has continued since the Edo Period. An old warehouse is used as a cultural museum.
