Sansan Shopping Street
 A huge tsunami attacked coastal area after the 2011 East Japan Earthquake. Shitsugawa Area in Minami Sanriku Town-was a severely damaged area in which town was totally washed. Local shop owners established a temporary shopping complex named “Minami Sanriku Sun Sun Shopping Village” one year after the disaster. In 2017, It was moved on higher ground constructed after the disaster. You may observe recovery situation from the disaster as well as enjoy local food.

Bus tour with a story teller
 Minami Sanriku Hotel Kanyo is located in front of Shitaukawa Bay with fine sea view, delicious food and hot spring. The hotel prepares a one-hour bus tour, “Kataribe Tour”. The tour will visit damaged buildings with story-teller(s) who experience and survived the 2011 disaster. It will be quite a unique and special time to learn lessons from tsunami disaster.

Earthquake Ruins: Okawa Elementary School
 It was tragedy that most of students and teachers were washed away by tsunami in Ohkawa Primary School in Ishinomaki City. Damaged school building is kept as was just after the disaster. You may learn huge power of tsunami and importance of evacuation from tsunami.

Onagawa Town
 Onagawa town is another severely damaged area by the 2011 tsunami. After the disaster Higher ground was constructed in downtown area. Seapal-Pier Onagawa is a complex of shops and restaurants and is a symbol of recovery of Onagawa town.

Matsushima Lunch Cruise
 Matsushima is world famous for having some of the most beautiful views in all Japan. The beauty comes from from 260 small pine-covered islands arising from the pale blue sea. The tour include a visit to Zuiganji Temple (National Treasure and Important Cultural Property) and Matsushima Bay cruise
